A Mandatory Resolution on Firearms, Explosives and Incendiary Devices

Be It Resolved by Lambda Chi Alpha, originally convened at the 2012 General Assembly, that the following policy be adopted as official policy of Lambda Chi Alpha Fraternity:

POLICY ON FIREARMS, EXPLOSIVES AND INCENDIARY DEVICES

The possession and/or use of firearms, explosives, and/or incendiary devices at the Chapter house, on any Chapter or General Fraternity property (or property that could reasonably be considered a “Chapter house” or “Chapter facility”) or at any Chapter or General Fraternity function is strictly prohibited. In addition, if any individual Member or Members should possess and/or use firearms, explosives, or incendiary devices at any individually-initiated activity that is not on Chapter or General Fraternity property and could in no way be considered a Chapter or General Fraternity-sponsored event or function, possession or use of these devices by the Members involved is not disallowed under our Laws but must be in accordance with state, local, and federal laws. Members who are law enforcement officers and who are permitted or required to possess a firearm while on or off duty may carry a firearm on a Chapter or General Fraternity property.
